

Big Thompson CrossFit is hosting the 5th Annual BTC Spring Hopper team competition on Saturday, June 8, 2019 from 8am to 4pm. The BTC Spring Hopper is Northern Colorado's only homegrown partner CrossFit competition where teams 2 battle 3 unknown workouts pulled out of the hopper on the day of the event. This is a fun, functional fitness event that features an Open, Masters (partners combined age of 75 and up) and Legends (100+ combined age) Divisions. Proceeds from the event will go directly back into Big Thompson CrossFit's strength and conditioning equipment fund.

With up to 36 teams we have 72 athletes expected as well as spectators. We are looking for sponsors to help make this a successful event as well as promote businesses from the Northern Colorado area.

When you become a sponsor, your business will be included on our event webpage, social media posts, company logo on competitor shirts as well as availability for booth space at the event. We thank you for your time and consideration!

Sincerely,
